

State of Michigan Hotel Listing Policy Guidelines

Travel Policy

- Lodging reimbursement is limited to the published state rate (\$75.00) plus tax with a receipt, unless confirmed and reserved through the contracted travel agency website **www.somtravel.com**. Conference Rates are exempt from the rate limitation; please refer to Standardized Travel Regulations Section 6.8.
- **All** lodging must be supported by a **receipt** for reimbursement.
- Please include any additional documentation required with your travel expense voucher to expedite your reimbursement. Conference registration information, copy of travel agency confirmation or other documentation as needed.
- **All properties meet FEMA guidelines for Fire Code Safety and ADA guidelines for Handicap Accessibility unless noted.**
- **Properties with Exterior Room Entrances are identified.**

Travel Reservations

- All hotels that are listed with a rate of **\$75.00 or less** can be called **directly** for your lodging needs.
- If the hotel indicates that the rate is not available and only offers a higher rate in excess of the \$75.00 limit, you must use the online reservation system at **www.somtravel.com** to book your reservation.
- **The travel agency** CAN NOT issue a confirmation on lodging reservations reserved directly with the hotel by the traveler.
- **Personal Use** - **Yes** identifies those properties that will allow state employees to utilize the government rate for personal travel when it is available and with State of Michigan ID.
 - **No** identifies those properties that do not want the government rate used for personal travel.
- **State Government ID may be required at check-in.**
